Student Contract:

The Academy for G.O.D. is a religious institution providing an education in a distinct Christian environment, and it believes that its biblical role is to work in conjunction with the home to mold students to be Christlike. Remote Learners are expected to uphold the values and beliefs of The Academy while participating in the classroom remotely.

On those occasions in which the atmosphere or conduct within a particular home is counter to or in opposition to the biblical lifestyle the school teaches, the school reserves the right, within its sole discretion, to refuse admission of an applicant or to discontinue enrollment of a student. This includes, but is not necessarily limited to, living in, condoning, or supporting sexual immorality; practicing homosexual lifestyle or alternative gender identity; promoting such practices; or otherwise having the inability to support the moral principles of the school (Leviticus 20:13a, Romans 1:27, Matthew 19:4-6).

Many classes, chapels and events are recorded by The Academy. These recordings are made available to students who are currently enrolled in the program for the purpose of study and review. Students are not permitted to share recordings with anyone, including other students or friends. Students are not permitted to reproduce content or record classes/events on their personal devices. Recordings are the intellectual property of The Academy, and as such, students are not permitted to disseminate without approval .
